The Association of Two-Way & Dual Language Education (ATDLE)
invites to join us at the

TWBI/Dual Language Program Institute in the Northwest for New TWBI/DL Teachers & Administrators!

The Association of Two-Way & Dual Language Education (ATDLE) continues to bring excellent teacher and administrator training opportunities to Two-Way Bilingual Immersion and Dual Language Programs throughout California and the U.S. We are so very excited to bring this New Teacher/Administrator Institute to our colleagues in the Pacific Northwest on Saturday, September 21, 2013.

Come and join us for this Saturday session with TWBI/DL Programs from throughout northwest region of the U.S. We are gathering experienced grade level experts and trainers to share their expert advice on how to make your program soar! We know you cannot do it alone and that the first years of implementation of a TWBI/DL program are often the most challenging. Bring a team and make this your best year yet!

Register now and join us in Oregon! The session will be filled with practical and hand-ons information to help this school year be a more successful one for you and your colleagues!

We are excited about coming north this Fall and hope that you and your team are able to join us for this unique and vital professional development opportunity.
